

Week 2 RIC 12.1.22

Henry the 8th was born in 1491 in London. He became king in 1509 aged 18. Famously he got married 6 times and had 3 children. He loved sports like hunting, tennis and dancing but he also loved eating. He ate so much that his health stopped him from doing any exercise and he became very fat. He died in 1547 and is buried at Windsor castle.
