

Week 4 25.3.22 Friday

The Reluctant Dragon

The next day, the boy set off up the hill to find the dragon. 'He might be friendly,' thought the boy. The dragon was friendly and he was thrilled to see the boy. The boy smiled and sat down and asked the dragon all kinds of questions.

Why do you think the boy wasn't scared to meet a dragon?

What do you think the word thrilled means?

Using the picture, how can you tell the dragon is friendly?

What questions would you ask the dragon?
