

## Tuesday Yellow Challenge

2020 is a leap year.

a) How many days will there be in 2020?

2 months is the same as 61 days.

Is this always true, sometimes true or never true?

Prove your answer.

There will be 366 days in the year 2040

b) Do you agree with Whitney?

Explain your answer.

Complete the tables.

Weeks	2	4	8	80	40	28
Days						

Days						
Weeks	1	3	10	9	13	36

Tim is three times as old as Anna.

George is 4 months older than Anna.

Anna is 2 years and 2 months old.

What is their combined age?

September						
M	T	W	Th	F	Sa	Su
		1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30			

a)

My birthday is on the third Friday of September.

Jack

When is Jack's birthday?

b)

My birthday is on the same date as Jack's but in August.

Amir

When is Amir's birthday?
