-

and other qualifications including Business, IT Skills, Social Care, Customer Service and more...

The qualifications are completed within an 8-week period, duration is completely dependent on each learner's ability as to how fast they complete and how many hours it takes. There are no exams, essays or end-point assessments however I would however advise that these are NOT 'short courses' that will take just a few hours to complete. As these are equivalent to a GCSE Grade C, you are required to write comprehensive answers for some questions. You may do as many as you like, just one at a time.

The only criteria the learner must meet to be eligible, is the following..

- Aged 19 or over on or before 31st August 2021
- Have lived in the UK/EU for 3+ years
- Not already on a Government funded course (Apprenticeship for example)

The course is completely free, but the learning provider reserves the right to charge a drop out fee in the event that someone enrolls, but then makes no attempt to complete the course without a valid reason. That said, the college will grant extensions if the learner has a genuine reason as to why they feel they won't be able to complete it within the 8 weeks.

If you are interested in undertaking one of these Free Online courses, then please complete the following link this week. This will then allow you to complete a quick Registration on our website. I will then contact you to explain how Enrolment works and answer any questions you may have.
