

ATTENDANCE

We have been battling to improve attendance for some years now and with COVID closures attendance became significantly worse. We have had the highest number of requests for extended leave over 70 and persistent absence continues to rise well above the national averages. As a result, we will be starting to clamp down on absences, challenge lateness and have been advised to implement fines for persistent absence as well as extended leave for holidays within term time. Only compassionate reasons will be granted and all others unauthorised. Sadly, these are necessary actions to improve attendance.

Year 1 Phonics Screening Test

During the second week in June all our Year 1 pupils will be taking part in the Phonics screening check. Our children have been working all year towards taking the screening check and have a good understanding of what it will look like and the sounds they need to complete the check. All results will be reported back in their final end of year report in July.

WORRY WIZARD

The Worry Wizard is back to complete the next set of sessions in support of our children's mental health and well-being. They will start the second set of sessions with Y3, 4 and 5 on Monday the 16th May. We look forward to them working with our children.

SUPERSTARS OF THE WEEK!
