24<sup>th</sup> April 2023

Dear Parents and Carers,

Welcome to the Summer term! Thanks to so many of you for attending the Year 3 and 4 performance last term. The children did so well and I was extremely proud of all their hard work – it definitely paid off!

In 4I, **PE** takes place on a Wednesday and Friday. On these days, children need to come to school in full PE kit. Please label all PE kit (including trainers) and school uniform with your child's name.

Children will have a **reading book** that they should bring to school with them. They are expected to read every night at home (preferably with an adult), or at least three times per week. This should be recorded in their planners and signed by an adult. **Spellings** are given out on **Monday** and tested on the following **Monday**. **Homework** will be a set of tasks linked to our learning and children should try to complete 2 or 3 tasks of their choice. We will have a Festival of Homework in the final week of the half term to celebrate the children's efforts (this was a great event last half term – thank you for supporting your child with this). Your child will have a times table competition or test each week so will need daily practice at home on their target table. **School planners** must be brought to school each day to enable easy communication between school and home.

The following is a list of things your child will need every day for school:

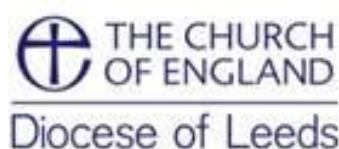

- Indoor pumps
- School Planner
- PE kit, including trainers (to be worn to school on Wednesday and Friday every week)
- Water bottle

Punctuality and attendance are crucial for your child's progress in Year 4. Please ensure that they arrive on time when school opens at 8.35 am. Other ways you can support your child are to help them learn their times tables, read with them frequently, help them practise spellings and encourage them to do their homework.

If you have any questions or concerns at any time regarding your child, please either put a note in your child's school planner or leave a message at the school office and I will get back in touch with you.

With best regards,

Mrs Iqbal  
4I Class Teacher
