3rd November 2023

Dear Parents/Guardians,

We are delighted to return to school this half term and hope that you have all had a wonderful half term holiday and are ready for this term. We are continuing on our geography-based Year 5 UK Adventure, and will be having our UK Adventure special day on November 23rd, when we will be showing all we have learned to Year 2, and cooking curry, Yorkshire pudding and Yorkshire parkin for Year 2 to try!

Please note **PE for 5G is on Tuesday and Wednesday each week and children must come to school dressed in their PE kit with appropriate footwear. Swimming for 5G will take place on Monday each week and children must ensure they come to school with their swimming kit.**

Children will have a **reading book** that they should bring to school with them. Children are expected to read every night at home (preferably with an adult), or at least four times per week. **Spellings** are given out for **Term 1B** and the children will be tested on the following **Friday. Homework** will be a set of tasks linked to our learning (the wider curriculum and science) and children should try to complete 2 or 3 tasks of their choice. We will have a 'Festival of Homework' in the final week of the half term to celebrate the children's efforts.

School planners must be brought to school each day to enable easy communication between school and home.

The following is a list of things your child will need every day for school:

- Indoor pumps (needed every day)
- School Planner (needed every day)
- PE kit, including trainers (to be worn to school on Wednesday every week)
- Water bottle
- Any inhalers (in date) or medicines your child needs

Punctuality and attendance are crucial for your child's progress in Year 5. I would be grateful if you would ensure that they arrive on time for when school opens at 8.35 am. Other ways that you can support your child are to help them to learn their times tables, to read with them frequently, help them practise their spellings and to encourage them to complete their homework.

I am looking forward to working closely with you this half term. If you have any questions or concerns at any time regarding your child, please either put a note in your child's school planner or leave a message at the school office and I will get back in touch with you.

With best regards,
Miss Gardee (5G Class Teacher)
