

## ENGLISH

This half term we will be reading many stories about bears to help deepen our understanding of the topic.

Our main story will be 'Biscuit bear'. We will be forming and writing simple sentences, writing letters and labelling images. We will also discuss rhyme within bear poetry.

## MUSIC

We will be listening and responding to Big Bear Funk music!

We will be learning about pulse, rhythm and pitch as we dance and sing bear songs.

## KNOWLEDGE AND UNDERSTANDING OF THE WORLD

We will be learning about where in the world different bears live, how they are suited to that habitat and what their diets are. In Science, we will be investigating how a bear keeps warm! We will also be baking a biscuit bear.

# Bear's Big Adventure!

## AT HOME

We will be sending reading books and diaries home every Monday. Your child will also get a phonics book to help them practise their new sounds and the formation of letters. You will also have a project homework alongside weekly phonics and maths challenges.

## DIARY DATES

NSPCC Numbers Day—Friday, 2nd Feb  
School closes for half term—Friday 9th Feb

## MATHS — Alive in 5!

We will be looking at zero, comparing numbers to 5, 1 more and 1 less. We will also be subitising to 5.

## RE

This half term we will be learning about different religious stories, how to keep promises to each other and the importance of being thankful.

## COMPUTING

We will be learning how to write a set of instructions for the Beebots. We will also learn how to stay safe on different devices.
