

## ENGLISH

This half term we will be looking at writing to persuade. We will be writing informal persuasive letters.

We will be modelling our writing on a variety of texts.

## PE

In PE we will be learning about and playing netball. We will also be playing tennis. Both these sports will help improve our hand eye co-ordination.

## MATHS

- Multiplication
- Division
- Length and perimeter
- Fractions

## RE

Our topic this term is 'What is it like to follow God?'

We will be exploring this question through the stories of Noah and Abraham.

## COMPUTING

In Computing this term we will be looking at the possible consequences of submitting personal information online. We will also look at using a green screen to create video clips based on our learning.

# Children of the World

## GEOGRAPHY/SCIENCE

In Science we will be studying states of matter: solids, liquids and gases.

In Geography we will be locating European countries on a map. The children will be looking at the physical geography of rivers and finding out about the rivers of Europe. We will also be finding out about the water cycle and the lines of latitude.

We will be taking part in Forest Schools as part of our outdoor learning.

## IMPORTANT DATES

NSPCC Number Day – Friday, 2nd February, 2024

4CM Class Assembly— Monday 5th February, 2024

School closes for half term—Friday, 9th February

## ART/MUSIC/PSHE

We will be exploring different sketching techniques and using pointillism this half term. We will be looking at the work of famous pointillist artists such as Georges Seurat.

In Music we will be rehearsing and performing our Year 3 and 4 production. We will also develop our confidence in singing and create our own raps.

This term we will continue our Linking Schools Project as well as focusing on our feelings and wellbeing in PSHE.
