4th March 2024

Dear Parents and Carers,

Spring is (nearly) here! We're looking forward to working with the children again this half term and sharing with them all the fun activities we have planned. It's a very busy half term ahead and we are looking forward to welcoming you to the performance of 'The Bee Musical' on 20th and 21st March and to 4B's assembly on 8th March.

In Year 4, **PE** takes place on a Wednesday and Friday. On these days, children need to come to school in full PE kit. Please label all PE kit (including trainers) and school uniform with your child's name as items of clothing very quickly go astray in school.

Children will have a **reading book** that they should bring to school with them. Children are expected to read every night at home (preferably with an adult), or at least three times per week. This should be recorded in their planners and signed by an adult. **Spellings** are given out on **Monday** and will be tested on the following **Monday**. **Homework** will be slightly different this half term. As the children are busy learning their lines for the play and preparing costumes, we have decided to give them a list of *40 acts of kindness* which they can do either at school or at home in place of the normal homework menu. However, your child will still have a times table competition or test each week so they will need daily practice at home on the times table they are working on that week. **School planners** must be brought to school each day to enable easy communication between school and home.

The following is a list of things your child will need every day for school:

- Indoor pumps
- School Planner
- PE kit, including trainers (to be worn to school on Wednesday and Friday every week)
- Water bottle
- Any inhalers (in date) or medicines your child needs

Punctuality and attendance are crucial for your child's progress in Year 4. We would be grateful if you would ensure that they arrive on time for when school opens at 8.35 am. Other ways that you can support your child are to help them to learn their times tables, to read with them frequently, help them practise their spellings and to encourage them to complete their homework.

We are looking forward to working closely with you once again this half term. If you have any questions or concerns at any time regarding your child, please either put a note in your child's school planner or leave a message at the school office and we will get back in touch with you.

With best regards,
Miss Britchford, Miss Murray and Mr Collins
