

## ENGLISH

This half term we will be looking at writing to inform. We will be writing explanation texts.

We will be using our science knowledge from previous terms as a basis for our writing.

## RE

Why do Christians call the day Jesus died Good Friday?

We will be exploring this question with a focus on the events of Holy Week.

## GEOGRAPHY/SCIENCE

We will be studying electricity and circuits in Science.

In Geography we will continue to look at the physical geography of rivers and finding out about the rivers of Europe and North and South America. We will be doing more map work locating the countries of North and South America as well as revising the countries of Europe.

## PE

In PE we will be learning how to play badminton.

We will also be playing tag-rugby.

## MATHS

- Fractions including decimals
- Money
- Time
- Statistics

## COMPUTING

In Computing this term we will carry out and modify searches, developing keywords to improve accuracy. We will also locate content online using some of the available advanced features.

# Children of the World
