21st March 2024,

RE: CARE CLUB PRICE INCREASE

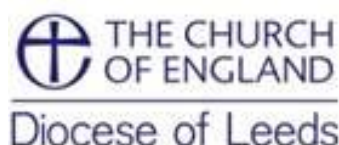

Dear Parents, Carers

Due to the increasing costs in staffing and provision we are unfortunately having to increase the costs of the care club from the 8th April 2024. Morning sessions will increase to £2 (up by 50p) and the after school session has gone up to £4 (up by £1.50)

We have tried to keep the costs as low as possible to ensure we can provide a service for our working parents but we are currently running the provision at a significant loss with increased salary costs and underpayments. We will review the care club provision in the summer term to determine whether we are able to continue providing the wrap round care without adding further financial burden to yourselves or the school.

Yours Sincerely

Mrs D. Smith
Headteacher
