Headteacher: Mrs Diane Smith NPQH.

Proud to be a member of The Bradford Shine Partnership **Shine**\*

April 2024

Dear Parents and Carers,

Welcome back! We hope you all had a happy and relaxing Easter break.

Our new topic this half term is “**All Creatures Great and Small**”. We will be learning about animals from the farm, domestic pets and creatures that live under the sea. For the final half term, leading up to summer, we will be discussing the variety of minibeasts we can find locally. We will also be exploring the life cycle of both caterpillar eggs and duck eggs! Hopefully within a few weeks we will have both butterflies and ducklings for the children to care for.

Please don't forget that PE is on a **Wednesday** and children can come to school wearing their PE kit on that day (please ensure that all items of clothing are named clearly, we are finding an increased number of lost property items in school).

Our library day is still also on a **Wednesday** – Please make sure that you have your library book in your book bag on that day.

Reading books are changed on **Mondays**, so it is essential that your child bring their book bag to school.

As a reminder, our trip to Hesketh Farm park is **Thursday 25<sup>th</sup> April**, to help the children increase their knowledge of all creatures great and small.

Many thanks for your continued support,

Miss Marshall and Mr Clark
