8th April, 2024

Dear Parents and Carers,

Welcome to the summer term and to our new topic of "We're Going on a Safari". This term we will be learning about safari parks and different safari animals.

We have an amazing '**Safari Day**' coming up on **Tuesday 16th April**, where the children may come to school dressed as their favourite safari animals or as a safari ranger. There will be lots of exciting activities for the children to take part in to introduce them to our new topic.

To make learning fun and meaningful over the coming term, we have arranged lots of experiences that the children will really enjoy, including a trip to Knowsley Safari Park on **Thursday 18th April**.

Don't forget that PE is on **Tuesday Mornings**. The children should come to school wearing their PE kit: black sweatshirt, white T-shirt, black jogging bottoms/leggings/shorts. Our library day is **Friday**, so please ensure that children have their library books in their book bag on that day.

Please complete the homework in the light pink homework book. There are lots of lovely activities linked to our topic that will help children's learning. Please return homework by **Monday 20th May**.

Please support your child's reading and phonics at home by reading the books sent home every week and recording progress in the home reading record. You can also help to prepare your child for the Year 1 phonics check by practising the sounds in the yellow book, which was given to all children in September. This will support the daily phonics teaching in school.

Warm regards

Miss Atkinson & Miss Bailey
