

ENGLISH

We will begin to develop our portfolios of writing as evidence for end of year assessments this half term. Because of this, we will be looking at a variety of writing styles all centred around chocolate. We will be writing leaflets about the production of chocolate and descriptions of fictional chocolate machines that Willy Wonka might use.

HISTORY / GEOGRAPHY/ SCIENCE

We will be learning where chocolate comes from, looking at maps of the world and finding out how it makes the journey to our shops.

In Science we will be finding out about animal adaptations and food chains.

PE

This half term children will be introduced to team games and developing simple tactics for attacking and defending.

Scrumdiddlyumptious

TRIPS AND EVENTS

May Bank Holiday (school closed) — Mon, 6th May 2024

2B Class Assembly—Thursday 16th May 2024, 9.05 am

School closes for Half Term—Fri, 24th May 2024

School reopens—Mon, 3rd June 2024

International Week—w/c 3rd June 2024

MATHS

This half term children will be learning to recognise the fractions of $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$. They will be finding these fractions in shapes, amounts and begin to solve mathematic problems.

RE

Through our RE lessons over the next term we will be looking at sacred places across major religions, thinking about what makes these places special.

ART / DT / MUSIC

We will be looking again at things we are familiar with, such as a stick or twig, and thinking how we can use our creativity to transform it. In music, we will be learning about dynamics and composing.
