

SCIENCE

We will be learning about plants. We will learn how plants grow, how they produce food, the life cycle of a plant and how water is transported round the plant.

ENGLISH

This half term we will be writing instructions using present perfect tense and imperative verbs before making and selling hedgehog buns.

We will then move onto adventure story writing.

MATHS

We will be working on mass and capacity. After we return to fractions and then move on to money.

P.E

In P.E we will be practising our orienteering skills. Swimming will continue on Tuesdays for 3D.

Remarkable Romans

RE

We will be answering the question, "What do Christians learn from the creation story?"

HISTORY / GEOGRAPHY

We will be focusing on why The Romans came to Britain and the impact they had on British life then and now and the way they changed the geography of Britain.

ART /DT

In Art, we will be making art using textiles and paint. In DT, we will be following instructions to sew a shopping bag.
