

History and Geography

We will continue learning about the Victorian era and how Britain changed during this time. We will focus on a local area study of the model village, Saltaire. We will learn about the history and geography of the place, and about its founder, Sir Titus Salt.

Science

In Science, we will consolidate our knowledge of materials that are electrical conductors and insulators. Children will have opportunities to carry out investigations relating to electrical components.

Computing

We will consolidate our learning focusing on:
Programming and using Micro:bits
Online Safety.

Music and Spanish

In Music, we will be learning and performing songs for *The Jungle Book* for our Y5/6 production. As well as practicing using the drums that will also be used in the production.

In Spanish, we will continue to focus on the verbs *ser* and *ir*. We will work towards giving a short presentation that expresses opinions. We will also be celebrating with our linked Spanish School on the 11th June.
