The World of Beatrix Potter

ENGLISH

We will be creating our non-fiction information texts about different woodland animals and habitats. We will also be consolidating our learning about basic sentence structure.

PSHE

This half term we are focusing on understanding families and relationships. This will include unhappy friendships, an introduction to manners and courtesy, change and loss and gender stereotypes.

MATHS

Children will be practicing addition and subtraction of 2 and 3 digit numbers.

We will also continue to develop our mental recall of number facts to 20 alongside learning the 2, 5 and 10 times tables.

SCIENCE

In Science, we will be looking at in detail about what plants need to grow and conducting our own investigation.

RE

In RE, we will be learning about incarnation and why Christmas matters to Christians.

COMPUTING - Programming

We will be learning how to create algorithms and how to debug programs.

GEOGRAPHY / HISTORY

This half term we will learn about the Victorian era to find out what life was like when Beatrix Potter was alive. We will compare and contrast how homes have changed over the last 100 years.

PE

Children will develop balance, agility, coordination and begin to apply these in a wide range of activities. We will also perform dances using simple range of movements and patterns.

IMPORTANT DATES THIS TERM

Parent Evenings: Tues, 12th & Wed, 13th November
Trip to Nell Bank: 2nd December
KS1 Nativity Performance: 10th December & 12th December
Year 2 Christmas Party: 16th December
